1. DEFINITIONS

Terms used herein shall have the following definitions:

"BODIE": Bodie Technology, Inc., a Florida corporation.

"Customer": The user of the *Kornucopia* Software or the business, academic or governmental entity with which user of the *Kornucopia* Software is formally and properly associated.

"Demo License": A license intended for software evaluation for which BODIE has provided to Customer, for FREE, a *Kornucopia*® license file that is valid for a specified duration of time as stated in such license file.

"Academic License": A license for users formally and properly associated with an academic institution using the software for academic classwork, for which BODIE may provide to Customer, either for FREE or for a fee, as solely determined by BODIE depending on the nature of the academic uses involved, a *Kornucopia*® license file that is valid for a specified duration of time as stated in such license file.

"KORNUCOPIA" and "*Kornucopia*": KORNUCOPIA is a toolbox that has two distinct versions, one for the MATLAB® platform (*Kornucopia*® ML™) and a deprecated version for the Mathcad® 14 and 15 platforms. *Kornucopia* for the Mathcad platform is no longer supported nor available. This EULA and any related licenses are only applicable to the *Kornucopia*® ML™ software, its example files, and documentation, which are all created and furnished by BODIE. It is the Customer's responsibility to obtain a compatible version of the platform software, including a license to use that platform, from The Mathworks, Inc. or its re-sellers for MATLAB®. KORNUCOPIA software and licenses are obtained from BODIE.

"Token": All *Kornucopia* licenses are yearly leases of the software based on tokens. Each user of the software requires 1 token during a usage session. The software supports both Floating and Node-Lock tokens. Additional details regarding *Kornucopia* licensing options and tokens are found at <https://bodietech.com/themes/user/site/default/asset/pdf/Kornucopia-Pricing.pdf>.

"Documentation": The *Kornucopia* help files, related MATLAB-based example m-files, mat-files, and data files, and any related *Kornucopia* manuals or example files published or furnished by BODIE.

"Confidential Source code": The software coding that resides inside of KORNUCOPIA and any coding within any MATLAB p-code files or other DLL libraries or EXE files of KORNUCOPIA. The example scripts provided in the software are not considered Confidential Source Code and can be modified as desired by the Customer.

"Designated User(s)": Employees, contractors, or agents of Customer, or Customer themselves, that are licensed to use KORNUCOPIA.

“Designated Computer(s)”: Customer’s computer or computers that are licensed by Customer from BODIE to have KORNUCOPIA installed and operating on them.

"Third Party Supporting Software": Kornucopia includes several third part components in its *Floating License* functionality and its *PDF Creation* features. Notices, Terms, and Conditions for these Third Party components are stated in **Article 16: Third Party Supporting Software**.

2. OWNERSHIP

KORNUCOPIA is owned by and proprietary and confidential to BODIE. KORNUCOPIA is protected by copyright and other intellectual property laws and treaties. All rights, title, copyright, and other intellectual property rights and interest are and remain in BODIE. BODIE reserves all rights to KORNUCOPIA not expressly granted to Customer in this Agreement.

3. LICENSE

- i. BODIE hereby grants to Customer and Customer accepts from BODIE a nontransferable, non-exclusive, and revocable license for Designated Users to use KORNUCOPIA on Designated Computers in accordance with this Agreement and with any orders and payments from CUSTOMER based on quotes provided by BODIE to CUSTOMER. These quotes, subsequent CUSTOMER orders, and license files provided by BODIE to CUSTOMER will clearly state the number and type of license tokens and their duration.
- ii. License files provided by BODIE to Customer will restrict usage to Designated Users and Designated Computers. Customer has the option to obtain any combination of Floating and/or Node-locked licenses that they need, provided they pay the associated license fees. The lease fee and duration for any licenses provided by BODIE to Customer will be stated on the associated quote for each license requested by Customer. The fees charged will be consistent with the license fees published at <https://bodietech.com/themes/user/site/default/asset/pdf/Kornucopia-Pricing.pdf> as of the date of the quote generation for each requested license. Kornucopia pricing is subject to change at the sole discretion of BODIE. Additional fees will apply for any international payments or Wire payments from Customer. There is no discount for early payment.
- iii. Customer shall not sublicense KORNUCOPIA nor directly or indirectly permit non-Designated Users to use KORNUCOPIA nor allow KORNUCOPIA to be run on non-Designated Computers.
- iv. Customer acknowledges and agrees that KORNUCOPIA is copyrighted and that this Agreement does NOT grant Customer any title or rights of ownership in KORNUCOPIA.
- v. Customer acknowledges that NO written manuals are provided, only electronic documentation is provided.
- vi. Users of new KORNUCOPIA releases will be required to enter into BODIE’s then current license terms before any such license will be issued and related services provided.

4. U.S. GOVERNMENT END USERS

The Software is a "commercial item," as that term is defined in 48C.F.R.2.101 (Oct. 1995), consisting of "commercial computer software" and "commercial computer software documentation," as such terms are used in 48C.F.R.12.212 (Sept. 1995). Consistent with 48C.F.R.12.212 and 48C.F.R.227.7202-1 through 227.7202-4 (June 1995), all U.S. Government End Users acquire the Software with only those rights set forth herein. Manufacturer is Bodie Technology, Inc., 10242 NW 3rd PL, Coral Springs, FL 33071.

5. RESTRICTIONS ON USE

KORNUCOPIA may be used only by Customer’s Designated Users working on Designated Computers. KORNUCOPIA shall be used only for Customer’s internal purposes. In no event

shall the Customer make all or any part of KORNUCOPIA available to any third person as part of a data services operation or application service provider.

Except as otherwise provided herein, Customer shall NOT: (a) modify, translate, adapt, decompile, disassemble, decrypt, extract, or otherwise reverse engineer or attempt to discover the Confidential Source Code incorporated in KORNUCOPIA or the licensing security system; (b) attempt in any way to defeat the intended operation of the licensing files and security system; (c) sublicense, rent, lease, sell, or assign KORNUCOPIA; (d) distribute KORNUCOPIA in any incomplete or altered form; (e) transfer, sell, or distribute KORNUCOPIA; (f) make or permit to make any more copies than are necessary for the Customer's internal use as permitted by this Agreement.

Customer MAY copy any KORNUCOPIA example files and then modify these copies as needed for creating personalized files and workflows that meet their needs.

Customer shall utilize its best efforts to prevent unauthorized use of KORNUCOPIA.

Customer agrees that prior to using or distributing any solutions built upon the use of KORNUCOPIA, it will thoroughly test and validate the solutions and Customer will be solely responsible for any problems or failures.

6. DURATION

Customer acknowledges that KORNUCOPIA is licensed to Customer for a fixed duration of time, as defined in the license files provided by BODIE, and that after that time any files relying on KORNUCOPIA functionality will NOT function fully without the Customer obtaining, for a fee (at the prices listed at <https://bodietech.com/themes/user/site/default/asset/pdf/Kornucopia-Pricing.pdf> at the date of a new license request), a new license from BODIE for a new duration of time. Prices and fees for KORNUCOPIA are subject to change without notice.

If Customer terminates their KORNUCOPIA license within thirty (30) days of the start of their license duration, Customer will receive a full refund from BODIE. In such case, Customer must fully uninstall KORNUCOPIA and its license file from all Customer Computers using that license.

7. SOFTWARE SUPPORT AND MAINTENANCE

KORNUCOPIA Software Support and Maintenance is only available for licensed Customers with active paid licenses and it excludes Customers using Demo Licenses and free Academic Licenses. Support and Maintenance is only for the duration of Customer's licenses and consists of the following.

- a. Technical Support by email (support@BodieTech.com) to answer questions regarding KORNUCOPIA functionality and usage syntax.
- b. Software Maintenance to include access to any error fixes, other updates, or upgrades of KORNUCOPIA that are officially released by BODIE during the Customer's licensing period. In addition we will exert reasonable efforts to both (i) provide, within a reasonable time, workarounds for any material programming errors in the current release of KORNUCOPIA that are directly attributable to BODIE, and (ii) correct such errors in subsequent releases, provided Customer gives BODIE sufficient information to identify the errors.

At BODIE's sole discretion, Customers using Demo Licenses and free Academic Licenses may be provided similar support and maintenance during the license duration.

BODIE maintains sole and exclusive ownership of any software and methodology developed by BODIE that is contained in or used to create the Technical Support work-product. BODIE shall not by these support efforts acquire any rights in any of Customer's data or other Customer Confidential Information, clearly marked as Confidential Information, made available to BODIE in

the course of performing Technical Support work. It is expressly understood by Customer that BODIE owns all intellectual property with respect to analysis methods, experimental methods, programming techniques and software components contained in any Technical Support efforts created by BODIE that were not provided by Customer to BODIE and which Customer cannot demonstrate prior ownership of. BODIE shall not be restricted from performing similar services for other Customers or companies, from using the same or similar programming techniques, solution methodology, or components for any use, or from using the same personnel to perform similar services for other Customers or companies. BODIE will only utilize Confidential Information or data made available by Customer to BODIE for the sole purpose of supporting the Customer.

BODIE may, at its sole discretion, elect to discontinue support services for a given release of KORNUCOPIA three (3) years after the given release date.

8. NON-DISCLOSURE

In using KORNUCOPIA support services, Customer shall not submit any information to BODIE that Customer considers to be: (a) subject to any governmental security regulations without first making arrangements with BODIE or (b) confidential or proprietary without first entering into a mutually agreeable non-disclosure agreement.

9. LIMITATION OF LIABILITY

KORNUCOPIA SHOULD NOT BE RELIED ON AS THE SOLE BASIS TO SOLVE A PROBLEM OR IMPLEMENT A DESIGN WHOSE INCORRECT SOLUTION OR IMPLEMENTATION COULD RESULT IN INJURY TO PERSON OR PROPERTY, OR A FINANCIAL LOSS. IF KORNUCOPIA IS EMPLOYED IN SUCH A MANNER, IT IS AT THE CUSTOMER'S OWN RISK AND BODIE EXPLICITLY DISCLAIMS ALL LIABILITY FOR SUCH MISUSE TO THE EXTENT ALLOWED BY LAW. UNDER NO CIRCUMSTANCES WILL BODIE BE LIABLE FOR ANY DAMAGES RESULTING FROM USER ERROR, USER MISUSE OF KORNUCOPIA, USER NEGLIGENCE OR USER'S WILLFUL MISCONDUCT. EXCEPT AS A RESULT OF BODIE'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, OR AS OTHERWISE PRECLUDED BY APPLICABLE LAW, IN NO EVENT WILL BODIE BE LIABLE TO CUSTOMER FOR THE FOLLOWING DAMAGES : INDIRECT, INCIDENTAL, PUNITIVE, SPECIAL, OR CONSEQUENTIAL DAMAGES (INCLUDING WITHOUT LIMITATION, LOSS OF PROFIT, LOSS OF BUSINESS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, LOSS OF DATA, OR OTHER FINANCIAL LOSS) WHICH MAY BE CAUSED, DIRECTLY OR INDIRECTLY, BY THE INADEQUACY OF KORNUCOPIA FOR ANY PURPOSE OR USE THEREOF OR BY ANY DEFECT OR DEFICIENCY THEREIN, OR BREACH OF CONTRACT OR WARRANTY, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR OTHERWISE, EVEN IF BODIE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL BODIE'S DIRECT DAMAGES UNDER THIS AGREEMENT EXCEED THE TOTAL PRICE PAID BY CUSTOMER TO BODIE DURING THE PRIOR TWELVE (12) MONTHS OR ONE HUNDRED THOUSAND DOLLARS (\$100,000.00), WHICHEVER IS LESS.

10. LIMITED WARRANTY/LIMITATION OF REMEDIES

BODIE warrants that BODIE, on its own behalf, has the right to grant the License rights provided in this Agreement. BODIE further warrants, for a period of one (1) year from delivery or for the term of the License, whichever is less, that each copy of KORNUCOPIA will conform in all material respects to the description of KORNUCOPIA's operation in the Documentation. In the event that KORNUCOPIA does not operate as warranted, Customer's exclusive remedy and BODIE's sole liability under this warranty shall be the correction or workaround by BODIE, within a reasonable time, of major defects caused by internal BODIE-created KORNUCOPIA Programming or, at Bodie's option, Bodie may terminate the relevant License and refund the License fee paid by Customer to BODIE for KORNUCOPIA during the current license duration,

not to exceed one (1) year. Major defects in KORNUCOPIA operation caused by changes in MATLAB functionality due to changes made by The MathWorks, Inc. of MATLAB are excluded from the BODIE warranty. All requests for warranty assistance should be directed by email to support@BodieTech.com.

11. DISCLAIMER OF WARRANTIES

Except for warranties expressly set forth in Article 10 of this Agreement, any and all KORNUCOPIA Software, Documentation, and Software Support and Maintenance are delivered "AS IS" and BODIE makes and the Customer receives no additional express or implied warranties (except as otherwise precluded by applicable law). BODIE hereby expressly disclaims any and all other conditions, warranties, or other terms of any kind or nature concerning the KORNUCOPIA Software, Documentation, and Software Support and Maintenance (including, without limitation, with regard to infringement, merchantability, quality, accuracy, or fitness for a particular purpose or Customer's purpose). BODIE also expressly disclaims any warranties that may be implied from usage of trade, course of dealing, or course of performance. BODIE does not warrant that KORNUCOPIA Software and its Documentation will operate without interruption or be error free. Some states and countries do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to Customer in such event. If applicable law requires any warranties with respect to KORNUCOPIA, all such warranties are limited in duration to ninety (90) days from the date of this EULA's acceptance by Customer. The warranty in Article 10 gives Customer specific legal rights and Customer may also have other rights which vary from state to state and country to country. Customer accepts responsibility for its use of KORNUCOPIA and the results obtained from their use. BODIE shall have no support or warranty obligations, and disclaims all liability, for Applications and Solutions developed or distributed by Customer. Customer will defend, indemnify, and hold harmless BODIE and its officers, directors, employees, agents and resellers from and against any damages, liabilities, costs and expenses (including reasonable fees of BODIE's attorneys) arising out of any Third Party claim or demand based on or arising from, out of or in connection with (i) the creation, use, or distribution of any Applications or Solutions by Customer or any of its Affiliates or (ii) the use of KORNUCOPIA by Customers or any of its Affiliates in breach of this Agreement.

12. INDEMNIFICATION

Customer will indemnify, defend, and hold harmless BODIE, its officers, employees and agents from and against all liabilities, damages, claims (including counterclaims, crossclaims, and third-party claims) and costs (including reasonable attorneys' fees) arising out of or related to any claims resulting from Customer's utilization of KORNUCOPIA. In the event BODIE seeks indemnification, it will promptly notify Customer of the claim and will reasonably cooperate with Customer's defense of the claim. Customer shall have full control and authority over the defense of the claim, except that (a) any settlement requiring BODIE to admit liability will require BODIE's prior written consent; and (b) BODIE may join in the defense with its own counsel at its own expense but Customer shall not be relieved of its obligation to indemnify and hold harmless BODIE as set forth in this paragraph.

13. ASSIGNMENT

BODIE may assign this Agreement and delegate any related rights and obligations of BODIE hereunder to any party that acquires the ownership of all or a majority of the stock or membership interest in BODIE or all or substantially all of the assets of BODIE whether via merger, sale or other reorganization.

14. EXPORT

Customer acknowledges that KORNUCOPIA may be subject to US export regulations. Customer shall comply with all such regulations and shall not export any BODIE Software unless Customer

first obtains, at Customer's sole expense, any and all licenses and permits required under applicable regulations. Without limiting the foregoing, Customer will not use, transfer or access KORNUCOPIA for any end use relating to nuclear, chemical or biological weapons, or missile technology, unless authorized by the U.S. Government by regulation or specific license.

15. General Provisions

This EULA will be governed by and construed in accordance with the laws of the State of Florida without regard to Customer's actual state or country of residence. Any lawsuit arising from or related to this EULA shall be brought solely and exclusively before the United States District Court of the Southern District of Florida or any Florida Court sitting in Broward County, Florida, and you hereby consent to the jurisdiction of any such court. Any waiver, amendment or other notification of any provision of this EULA will be effective only if in writing and signed by BODIE.

The parties are independent contractors under this EULA and expressly disclaim any partnership, franchise, joint venture, agency, employer/employee, fiduciary or other special relationship. Neither party intends this EULA to benefit or create any right or cause of action in or on behalf of, any person or entity other than the parties.

If a court holds that any provision of this EULA is invalid or unenforceable under applicable law, the court will modify the provision to the minimum extent necessary to make it valid and enforceable or, if it cannot be made valid and enforceable, the court will sever and delete the provision from this EULA. The change will affect neither the validity of the amended provision nor the validity of any other provision of this EULA, which will continue in full force and effect.

A party's failure or delay in enforcing any provision of this EULA will not operate as a waiver of the right to enforce that provision or any other provision of this EULA at any time. A waiver of any provision of this EULA must be in writing, specify the provision to be waived and signed by the party agreeing to the waiver.

This EULA constitutes the entire understanding between BODIE and Customer relating to licensing KORNUCOPIA and supersedes all oral or written proposals, and all communications between the parties relating to licensing KORNUCOPIA.
